

Please do NOT change Indiana's Telephone Privacy Law! It has made a big difference to me. I used to get calls every day from telephone solicitors. Now, I rarely get any solicitations. I had a problem with one company that I had asked a number of times to take me off their list. Because of the Telephone Privacy Law & the help of the Indiana Attorney General's office, that company has finally left me alone. I would be very upset if this law was changed!
